

SUNDAY MORNING

GIVING GIFTS WITHOUT GIVING THE GOSPEL

12/22/2024

Text: Luke 2:7-32

Theme: Those that have the knowledge of the gift for the world
must give that gift to the world.

Here is the bottom line for this message – to Christians – it is a shame that many Christians will give gifts and never give the Gospel – all the while saying, “Jesus is the reason for the season”

I. A gift for all people (vv. 7-11, 25-32)

Psa 2:2

You don't need a Saviour until you recognize that you are a prisoner

There is no other gift that all people need!

II. A gift to be given (vv. 15-17)

✝ **If Christ is a gift for all people, shouldn't God's people be presenting the gift of the Gospel?**

These were just shepherds, not prophets or priests...

You have the opportunity to offer a gift to someone that someone else paid for
