

BAAL-ENCIAGA SCANDAL!

(YOU WERE
WARNED!)

JOEY FAUST (12-4-22)

TEXT: Romans 1:22 Professing themselves to be wise,
they became fools,
23 And changed the glory of the uncorruptible God into
an image made like to corruptible man, and to birds, and
fourfooted beasts, and creeping things.
24 Wherefore God also gave them up to uncleanness
through the lusts of their own hearts, to dishonour their
own bodies between themselves:
28 And even as they did not like to retain God in their
knowledge, God gave them over to a reprobate mind, to
do those things which are not convenient;

Genesis 13:13 But the men of Sodom were wicked and sinners before the LORD exceedingly.

Genesis 15:16...for the iniquity of the Amorites is not yet full.

Daniel 8:23 And in the latter time of their kingdom, when the transgressors are come to the full, a king of fierce countenance, and understanding dark sentences, shall stand up.

1 Thessalonians 2:16

"Jason Aldean's wife used an IG post Wednesday to state her position on the scandal - showing herself hauling out 2 garbage bags filled with thousands of dollars worth of Balenciaga. She captioned it ... "It's trash day @balenciaga."

Buzzfeed:

"The brand's kiddie imagery caused a Fox News firestorm and played into QAnon conspiracy theories...What to most people would be a random selection of papers scattered on a desk to show the kind of aspirational, busy, business-driven customer Balenciaga wants became a coded appreciation of child abuse...

What were admittedly poorly thought-out items of teddy bear clothing for a high-fashion editorial photo shoot, when put through the social media outrage wringer, became an attempt to sexualize kids..."

Mail, Nov. 28, 2022:

"Just another coincidence? Photos from scrapped Balenciaga campaign feature book by artist whose works include...toddlers [in horrible scenes]...

Two photos from the brand's now canceled Spring '23 ad campaign feature French actress Isabelle Huppert posing in a Manhattan office with a stack of books behind her...

Among the books is one that celebrates the Belgian painter Michael Borremans.

Borremans' work is varied but frequently features children. His 2017/2018 series, Fire from the Sun, shows a group of toddlers, some of them with blood staining their skin, in sinister composition.

**One of the ad's photos
contained an excerpt from the
US Supreme Court opinion in
United States v. Williams,
which upheld part of a federal
child pornography law..."**

New York Post, Nov. 30, 2022:

"...as the camera zooms in on various supposedly demonic memorabilia in a photo of a young boy. These supposedly Luciferian totems included an alleged 'child's drawing of the devil' and a shady black hood of the type worn by 'Satanic cult' members...the lone candle sitting adjacent to them like a séance prop from an occult horror flick..."

"Perhaps the most devilish element, per the clip, is the roll of yellow Balenciaga tape with the label's name misspelled with two As, forming 'Baal'..."

"Baal was reportedly an ancient fertility god worshipped in many ancient Middle Eastern communities, including the Canaanites, who were infamous for sacrificing children."

**"...Others claimed that the rug
the kid was standing on
resembled a Ouija board..."**

Revelation 12:9 And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world...

Revelation 13:4 And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?

"Cristóbal Balenciaga (1895-1972) was...in the words of Christian Dior, 'the master of us all.' But the man himself remains mysterious..."

"And he found love...he met a charming and well-connected young man with sleek dark hair...with whom he would live for some twenty years..."
(Mary Blume, *The Master of Us All, Balenciaga...2013*)

"In 2015 Demna...was announced as the new Creative Director of Balenciaga, and ever since has become a designer everyone is talking about."

(GlamObserver.com)

"...Its popularity graph is, once again, rising dramatically due to a marked emphasis on postmodern irreverence...Demna's unapologetic rejection of classical standards is reinventing the landscape..."

Before Being Burned In American
Horror Story Scene...* The scene from
American Horror Story was filmed

New York Post, Nov. 29, 2022:

"As Balenciaga's creative director since 2015, Demna Gvasalia often wears a black fabric full-face mask, especially when being photographed..."

"...veteran fashion industry insiders who say that creative directors like Demna have too long gotten away with dabbling in shock and trash culture."

"People in the industry often want to push the envelope and be what they think is cool and edgy - but they don't think...nobody will tell them no," Lorin Cole, a veteran makeup artist and former Paris-based model told The Post."

"I do not think of any gender when I make clothes..."

"When I tried wearing my mom's heels as a little boy, I was strictly punished...Putting men in high heels for [fashion] was a symbolic act of liberation from those absurd boundaries for me." (GQ, Dec. 26, 2021)

The American Conservative, Nov. 28, 2022:

**"Lotta Volkova: The Devil Styles
Balenciaga...The pedo-chic fashion house's
chief stylist is obsessed with Satanic themes,
child abuse, cannibalism, violence..."**

**"...Balenciaga's senior stylist, once declared by
W magazine 'the coolest stylist in the

"Volkova also works with Adidas, which launched a sneakers line designed by the Satanic stylist."

Aug. 31, 2003:

"ProtestGayDay...Exists To Protect & Preserve Our Innocent Youth Against The Gay & Lesbian (Sodomite) Agenda..."

"Hundreds of Christians are waking up from their slumber and are rising to the challenge to battle the growing immorality in our cities. We refuse to give up our children to the homosexuals without a fight to the finish."

"Every civilization that has experienced the type of homosexual revolution that we are seeing today, has not survived. We are experiencing the ultimate depravity of man in our nation and are doomed to repeat the error of Greece, Rome, Germany and Sodom & Gomorrah - if good men do nothing."

CWA, 9/17/2003:

"Christian protesters outnumber homosexual attendees at The Ballpark...'This victory included winning the battle in the media for the attention of Christians who have grown complacent. It included persuading two couples attending with children in tow to skip the game and join the protest'..."
