

Message Title: Considering God's Schedule Pt-12

Theme: This continues to study changes that God told us about over 2730 years ago that will occur when Jesus returns as "KING of KINGS and LORD of LORDS" and sets up His glorious reign.

A most amazing thing is how God is able to tell us what is coming and even explain what to look for as the time draws near, and still leave it up to us as individuals to choose believe it or not. Noah preached about the coming flood during the time he built the Ark, but no one really believed him. Jesus even told us in Matthew 24:37-39 "But as the days of Noe were, so shall also the coming of the Son of man be. For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark, and knew not until the flood came, and took them all away; so shall also the coming of the Son of man be". We have been told in length about these last days and the whole world senses that major changes are coming. A one world government, a global currency, a one world leader who will gain control peaceably, and it will all make so much sense it will seem normal until it is too late. Non believers know about the mark of the Beast and yet the way it happens it will be so unexpected it will be a surprise. Just as the nation of Israel was told of the coming of the Messiah but they rejected Him because He came to them in an unexpected way.

God still uses the unexpected to expose our decisions. From Adam and Eve's disobedience all the way up to today it has stayed the same. There are no mulligan's, there are no do-over's. Knowledge in advance is the protection God has given us. "Foretold is Forewarned."

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons. This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race. It started in 2007 when God brought the speaker to Psalm 50:15 three times following the miraculous healing of his dying wife. It reads, *"And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me"*. Following this he prayed fervently. "LORD, show me how to glorify you and I will do the best I can". The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, "you'll get over it." Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again". He describes it like application of (2 Corinthians 3:18), "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, *even* as by the Spirit of the Lord". Truly a life changing experience as God increases and we automatically decrease.
