# PROTESTING TOO MUCH? (ESCAPING SATANIC MANIPULATION)

**It's Your Fault!**

**SMEAR  
CAMPAIGN**

**TEXT: Proverbs 15:31 The ear that  
heareth the reproof of life abideth  
among the wise.**

**32 He that refuseth instruction  
despiseth his own soul...**

**Proverbs 19:20 Hear counsel,  
and receive instruction, that  
thou mayest be wise in thy  
latter end.**

*The lady doth protest too  
much, methinks."*

**(William Shakespeare, *Hamlet*, 1603)**

*"Both here and hence  
pursue me lasting strife, If  
once I be a widow, ever I be  
a wife."*

*"The lady doth protest  
too much, methinks."*

**"...to express an opinion or fact  
so strongly or so often that  
people start to doubt that you  
are telling the truth..."**

***(Cambridge English Dictionary)***

**Proverbs 24:7 Wisdom is  
too high for a fool: he  
openeth not his mouth in  
the gate.**

*"Private investigator reveals the key signs you're dating a cheater...*

*"...they get excessively defensive, they gaslight, they accuse you of cheating..."*

**"He added how the psychological term for this behaviour is called 'projection' and said: 'People tend to project what's inside of them onto other people...'"**

***(Mail, Daniel Acon)***

*Daily Caller, Aug 25, 2022:*

**"An NBC journalist who criticized [people on Twitter] for reporting on transgender surgery for minors at Boston Children's Hospital (BCH) also authored an article in 2019 where she appears to take credit for Facebook removing the accounts of privately-run pedophile sting groups...[that exposed pedophiles]..."**

**The efforts of Brandy Zadrozny, one of NBC's 'disinformation' reporters, in both cases follow a nearly identical pattern...**

**First, identify a perceived right wing element online that is highlighting or covering a contentious, questionable or perhaps even criminal issue. Then, cast the subjects of the coverage as **victims of 'harassment.'****

**Source the public outrage...to the coverage itself, rather than the contentious, questionable or criminal behavior of the subject. Contact massive tech corporations and alert them that these groups are operating on their platforms.**

**...Michael Morris, Managing Editor of Free Speech America and Business at The Media Research Center, says it's becoming more common for the far left to call speech they disagree with "violent" in an effort to silence opposition..."**

**Isaiah 29:21 That make a  
man an offender for a word,  
and lay a snare for him that  
reproveth in the gate...**

**Isaiah 5:20 Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!**

**23 Which justify the wicked for reward, and take away the righteousness of the righteous from him!**

**Psalm 94:21 They gather  
themselves together against  
the soul of the righteous, and  
condemn the innocent blood.**

**Proverbs 17:15 He that  
justifieth the wicked, and he  
that condemneth the just,  
even they both are  
abomination to the Lord.**

**Proverbs 24:24 He that saith unto the wicked, Thou art righteous; him shall the people curse, nations shall abhor him:**

**25 But to them that rebuke him shall be delight, and a good blessing shall come upon them.**

**Matthew 7:1 Judge not, that ye be not judged.**

**3 And why beholdest thou the mote that is in thy brother's eye, but considerest not the beam that is in thine own eye?**

**James 2:13 For he shall have  
judgment without mercy, that  
hath shewed no mercy; and  
mercy rejoiceth against  
judgment.**

**Proverbs 6:16 These six things  
doth the Lord hate: yea, seven  
are an abomination unto him:  
17 A proud look, a lying  
tongue...**

**Matthew 7:1 Judge not,  
that ye be not judged.**

**Amos 5:10 They hate him  
that rebuketh in the gate,  
and they abhor him that  
speaketh uprightly.**

**"D'Souza charges that far-left Democrats and progressives are guilty of projection when they call Republicans and conservatives Nazis and fascists. D'Souza contends that, in reality, the Democratic Party platform and progressive policy positions more closely resemble the ideologies of Adolf Hitler and Benito Mussolini."**

**"Throughout Death of a Nation,  
D'Souza draws parallels between the  
statist policies of the Democratic Party  
and these totalitarian regimes."  
(Movie Review: Death of a Nation - US  
Represented)**

*Western Journal, Mark DeVine August 17, 2022:*

*Op-Ed: Will a DOJ Investigation  
Finally Put SBC Elites on the Same  
Page as Rank-and-File  
Evangelicals?*

**The just-revealed investigation of sex abuse in the Southern Baptist Convention by the Justice Department ratchets up the Biden administration's attacks on his political opponents.**

**The probe also marks the abject failure of the SBC elite's decade-plus winsomeness campaign designed to sanctify evangelical votes for the Democratic Party and, as philosopher Stephen Wolfe contends, to "render [evangelicals] harmless to the regime."**

**Tyranny, not justice - social or otherwise - accounts for the behavior of the DOJ. To educated eyes, parents who push back against the pushing of critical race theory and transgenderism down the throats of their children are not domestic terrorists.**

**...no supposed crisis of sexual abuse in the SBC prompted Attorney General Merrick Garland to investigate the institutions of the largest Protestant denomination in America. Southern Baptist voting patterns did.**

**Against the directives of their erstwhile leaders, evangelicals, including Southern Baptists, twice voted 80+ percent for Donald Trump. These voters show no signs of exchanging their politics for the Never Trumpism modeled and commended to them by Russell Moore, David French and Francis Collins.**

**The Daily Wire's Megan Basham and former Midwestern Baptist Seminary president Mark Coppenger exposed the current SBC elite's public panic over a handful of sex abuse cases as one more virtue signal to the Democratic-voting blue communities they wish to please.**

**With “only 409 abusers...found over the course of 21 years, in a denomination boasting about 15 million members, Basham questions any 'crisis' reading of such data. Coppenger calculates that of the 28,000,000 Southern Baptists in churches surveyed over a 20-year period by the Houston Chronicle, '220 were convicted of abuse crimes...**

**99.999 percent of Southern Baptist churches reporting zero confirmed instances of sexual abuse for two decades does not a crisis make. What Moore called an SBC “apocalypse” and French dubbed a “horror” turned out to be a stunningly low incidence rate.**

**Barak Obama and Hillary Clinton taught the nation that around half of Trump's supporters are a basket of deplorables who cling to their guns and religion and are uncomfortable with people who don't look like them. Since then, SBC elites have labored to signal that they pretty much agree with that assessment.**

**...They urged evangelicals not to celebrate the overturning of Roe v. Wade. They charged champions of a secure border with xenophobia. They mocked deplorables whose jobs were threatened should they shun the shot. They opposed a Louisiana bill that would have abolished abortion.**

**They said critical race theory...can aid interpretation of the Bible. They joined in the hysteria over Jan. 6, but fell mute as the nation's cities burned in the summer of 2020. They said evangelical churches should provide safe places for the same sex-attracted to "tell their stories."**

**...But SBC elite efforts failed to alter evangelical voting patterns in favor of the Democrats. It turns out that the Biden administration awards no prizes for effort, just results. So here come the feds.**

**...Francis Collins and Russell Moore said that taking the vaccine is a great way to love your neighbor as Jesus commanded...**

**Antonio Gramsci perfected one of Karl Marx's foundational convictions - that the family and the church are the most intolerable institutions to the totalitarian dreams they harbored.'**

**Proverbs 6:23...reproofs  
of instruction are the  
way of life:**
