#### Adult | "Angels"

➤ Angel mania is a reality in today's culture. Fascination and curiosity with angels have produced movies, TV shows, and books. But what are angels? Why were they created? What source should we consult regarding angels? Since the doctrine of angels is one of the most enigmatic in Scripture, it is incumbent upon us to learn what the Bible has to say. For August, we will camp out on this doctrine and soak up all that the Bible has to say so we can have a healthy understanding of such amazing created beings of God!

#### Children | *In the Beginning...Jesus*

➤ **Lesson 17: God's Law is Given to Israel:** God's Law is holy, righteous, and good. This law described how Israel was to live as a redeemed people of God (memory verse: Isaiah 53:12b).
